

From the first touch, each Zalto glass distinguishes itself from all other glasses. From the perfectly executed balance to the extraordinary design, the achievement of the Denk` Art line are glasses that seem nearly too delicate to hold, and yet they are made for just that. This is glassware that stands at the rarefied point where form meets function. This is art.

Alle glazen zijn verpakt in de mooie doosjes van 1, 2 of 6 glazen.

GRAVITAS OMEGA

prijs per stuk bij aankoop van

The Zalto Gravitas Omega is not quite a glass or a decanter. It is simply unique. Aerate your wine by rolling the Gravitas Omega in circles on a flat surface. It does have a flat spot on the bowl to prevent it from rolling off the table or to rest! Perfect for red wines or for experimenting with your favourite beverage.
